

Protect your
child's vision
with VSP.®

New Mexico Health Connections and VSP provide vision coverage for children.

Your child is fully covered for an eye exam and glasses or contacts every year.

Your child's eyes deserve the best care to keep them healthy year after year. Plus, with VSP, you'll get a great value on eye care and eyewear for your child.

You'll like what you see with VSP.

Log in to vsp.com to:

- Find a VSP doctor who's right for your child.
- Review your child's benefit information and plan coverage before an appointment.
- At the appointment, tell them your child has VSP. Make sure to give your provider your health plan medical ID card for proof of coverage.

That's it! We'll handle the rest—there are no claim forms to complete when your child sees a VSP doctor.

Eye Exams for Children

Eighty percent of what we learn is through our eyes. Many states require that children get a comprehensive eye exam before kindergarten. Schedule an eye exam for your child at the beginning of every school year and start the year off right. Visit vsp.com to find a VSP doctor who specializes in pediatric eye care.

Visit vsp.com for more details on your child's vision benefit, as well as the exclusive savings and promotions for VSP members.
